Stifterverband
für die Deutsche Wissenschaft

Wissenschaftszentrum Bonn

CONVENTIONS AND NETWORKING

The Wissenschaftszentrum Bonn is a facility operated by the Stifterverband – a joint German industry initiative for promoting science and higher education. As a central convention venue in the region and as a base for a wide range of prominent scientific organisations, the Wissenschaftszentrum Bonn is synonymous with a unique communication concept: it offers science a platform for networking and interacting with representatives from the realms of industry and politics and with the general public.

and science exhibitions

CONVENTIONS

The Wissenschaftszentrum Bonn's spacious conference area offers flexible rooms for events with between 3 and 300 participants. An experienced team is at hand to provide all-round professional care – from room planning to technical equipment.

EXHIBITIONS AND INTERACTION

The Science Centre's extensive foyer houses exhibitions and provides space for relaxing and interacting during breaks.

DEUTSCHES MUSEUM BONN

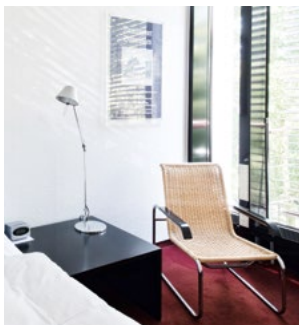

How about a visit to the Deutsches Museum in Bonn after a strenuous day of seminars? In its branch in the Wissenschaftszentrum Bonn, the Deutsches Museum showcases contemporary masterpieces of science and technology.

FOOD AND DRINK

Our in-house caterers provide drinks and snacks during conference breaks. In our roomy cafeteria, your participants can relax and recharge their batteries with a wide choice of freshly prepared lunches.

ACCOMMODATION

Staying overnight in our modernly furnished apartments ensures that you will have a relaxed start to the following day's events in the Wissenschaftszentrum Bonn.
